What is a Credit Union?

A Credit Union is a NON-PROFIT Financial Institution where each person who has an account is a "member". All members own shares of the Credit Union. Members also have voting rights and help elect the Board of Directors. An Annual Shareholders Meeting is held each year, open to all members. Members accept for nomination and vote on Board members, review Official Records, and learn about services and future plans for the Credit Union!

About Us

Wayne County Federal Credit Union serves the community's educators and their families since 1971. We changed our Name and Charter in November of 2012 to Wayne County Federal Credit Union, to serve all of Wayne County. We continually add new requested services to better meet the needs of our members.
